## First Vintage Moto Art in Mexico

- Posted in Sports Events
- 08 Jun 2016

Vintage Moto Art will be held the next 18 / VI / 2016 in the CDMX and its objective is to show that a motorcycle can be also the space where an artistic concern is expressed.

Dubanok Onoff, of Colombian origin and figure of the phenomenon biker in Mexico besides owner of the firm Black Label Biker, is one of the organizers of this event, along with Pedro Asturiano and Salvador Colín.

The VMA will be held in the capital Plaza Condesa in its first edition and convenes the main exponents in various specialties within the Custom Culture in Mexico. There will be motorcycle builders, artists graphics and photographers; who will show their work without any commercial purpose.

The event will be divided into three areas where more than fifty motorcycles will be exhibited, and there will be workshops specialized guests, special guests, even small independent garages that present their first motorcycle.
